Peachjar communication

The school district is going paperless!

The green initiative helps save every one time and money and still gives access to school information.

You will receive a welcome email from peachjar with a password and user name. It will come from school@peachjar.com this is only used for school approved flyers. As always we would love for you to volunteer please contact Heidi Bungard at 997-2131
PTO/SAC next meeting May 14th 7:00 AM Front office room

Dragon Dads

As a Dragon Dad you will have an opportunity to assist our teachers and staff with hallway monitoring, point-of-entry security, loading and unloading buses, assisting with parent drop-off and pick-up, helping during lunches, or working with teachers in classrooms.

Outstanding Dragons

Youth in Government Conference

Five delegates from our school attended the State Youth in Government Conference near Orlando. The group Katie Eaton, Ruby Hughes, Meah Fields, Lillian Kullen, and Adriana Doro and their sponsors Mrs. Walters and Ms. Cofield, had an amazing time learning about how bills get passed. Meah Fields and Ruby Hughes wrote a bill on having more regulations for all daycares, and Lillian Kullen, Katie Eaton, and Adriana Doro wrote about a bill for all Floridians to have affordable health care. The teams made it through two committees and then their bills did not make it to the senate or the house for debate. The core values of the program are leadership development, caring, honesty, respect, and responsibility. The 4 day 3 night experience provides these delegates of glimpse of what it will be like in future endeavors with Youth in Government and politics.

April Integrity Character Trait of the month winners

Congratulation to so many awesome dragons!!!!
